Technical Specification

Attribute	Options	Attribute	Options
Beam Angle	360°	Lamp Base	E27 or B22
CCT	1827K	LED Lifetime	25,000
Certificates	CE; RoHS	LED Type	San'an
Dimmable	0-100%	Lumens	450lm
Dimensions	108x45mm	Voltage	220-240V
Weight	50 Grams	Finish	Clear or Gold
Watts	5.4W, 60W Equivalent Incandescent Bulb	CRI	CCT 2200K and below >90 CCT 2700K and above >85

SPECIFICATION

A60-4W Dimmable Combined Comfort Dim Filament Bulb

SKU: A60-CDC-4gE-1827

Product Description

The A60 Combined Comfort Dim LED filament bulb provides a very aesthetically pleasing light. They are fully dimmable with the broadest range of dimmers. This bulb warms in colour as it is dimmed

- Highest quality 360 phosphor coated filament LEDs
- True 360 output, with no light leakage.
- High Power Factor, >0.85
- Fully 0-100% dimmable IC on-board drive electronics.
- Up to 25,000 hours lifetime and a 2 year warranty.
- Gold or Clear glass finish
